

Guidelines for IAPM Membership Form

**All applicants are required to read the following carefully before filling this form.
IAPM was founded in 1949. The headquarters of the association is at Cuttack, (Orissa).**

The association has the following objectives:

- To promote and advance Pathology, Microbiology and allied sciences as well a public health.
- To uphold the standards of practice of Pathology, Microbiology and allied sciences
- Promote research in the fields of Pathology, Microbiology and allied sciences

Membership to the IAPM according to the Bye-Laws of the association are of the following categories:

- Ordinary Members (O)** : Medical Graduate and should have a recognized postgraduate qualification in Pathology or Microbiology and should be engaged in either or both of these two professions. Ordinary Members shall enjoy all rights and privileges of membership of the association except the supply of The Indian Journal of Pathology and Microbiology.
- Life Members (L)** : Any Ordinary Member who has completed minimum of five years of continuous membership without dues. Life members shall enjoy all rights and privileges of membership of the association.
- Associate Members (A)** : Medical graduates (MBBS) who are pursuing a postgraduate qualification in Pathology or Microbiology. Associate Members do not have any voting rights in the association.
- Affiliated Members (AF)** : The postgraduates who are actively engaged in research and teaching of Pathology and Microbiology but do not possess a medical degree: PhD, MSc, MDS [Oral Pathology], MVSc [Veterinary Pathology /Microbiology] provided their research activity is related to or has relevance to human Pathology and Microbiology. It is mandatory for research scholars / associates /fellows with MSc / PhD working under a Pathologist / Microbiologist to be proposed for membership by their guides / investigator of the project. Affiliate members do not have any voting rights in the association.
- Honorary Members (H)** : Honorary Members are elected by the Executive Council of the association. Honorary Members may attend all meetings and take part in discussions but do not have voting rights.

All proposals for membership shall be Nominated and Seconded by Life members of the IAPM.
It is expected that members who nominate and second the proposal advise the applicant to fill in the form correctly.

Applicants are encouraged to write their subjects of interest/specialization in SI.No. 11 (other than that indicated in SI.No.10)

As required by the constitution, all proposals are ratified at the General Body Meetings (usually held during the Annual Conference in November-December every year) and only then are members accepted formally by the association.
